

# Environmental Improving Equipment

## Airmove Fan

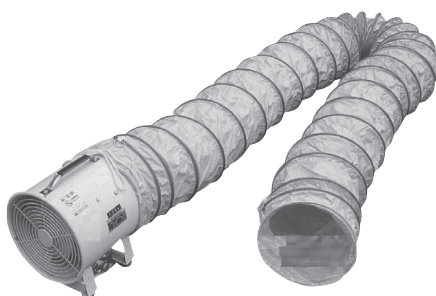

### Specifications

|                                |               |
|--------------------------------|---------------|
| Model                          | SHVLS-Y6BAA20 |
| Inner Power                    | 220           |
| Motor Power (W)                | 550           |
| Air Flow (m <sup>3</sup> /min) | 1208          |
| Diameter (mm)                  | 2180×2051×722 |
| Weight (kg)                    | 176           |

## Portable Ventilator

WM-TD

### Specifications

|                  |         |       |       |
|------------------|---------|-------|-------|
| Model            | WM-TD   | SBF5  | SW150 |
| Diameter (mm)    | 300     | 500   | 600   |
| Power Rating (W) | 550     | 750   | 2,200 |
| Voltage (V)      | 220-240 | 3φ380 | 415   |
| Weight (kg)      | 15.0    | 46    | 60    |

※ Rental Item: Duct Hose 5m

## Industrial Fan

### Specifications

|                                |                     |
|--------------------------------|---------------------|
| Voltage (V/Hz)                 | 220/150             |
| Power (W)                      | 124                 |
| Air Flow (m <sup>3</sup> /min) | 131                 |
| Diameter (mm)                  | 840×725×1,200~1,350 |
| Weight (kg)                    | 10.4                |

## Dust Collector

### Specifications

|                                |         |
|--------------------------------|---------|
| Model                          | EJD1N   |
| Wind speed (m <sup>3</sup> /h) | 14.4    |
| Diameter (mm)                  | 125     |
| Voltage (V)                    | 220     |
| Power input (W)                | 620     |
| Diameter (mm)                  | 620×945 |
| Weight (kg)                    | 48      |

## Fume Collector

### Specifications

|       |                                |                        |             |             |           |                      |             |
|-------|--------------------------------|------------------------|-------------|-------------|-----------|----------------------|-------------|
| Model | Wind speed (m <sup>3</sup> /H) | Stactic pressure (kPa) | Voltage (V) | Current (A) | Power (W) | Dimension L×W×H (mm) | Weight (kg) |
| KEM   | 240                            | 18                     | 200         | 15          | 1,500     | 524×425×667          | 24          |
